2021

A Year in Review

www.augmentum.vc

2021 has been a record-breaking year for European fintech investment, following continued acceleration of digitisation trends in the wake of the pandemic.

As we near the end of another eventful year, we reflect on the progress made at Augmentum and across our portfolio of private fintech companies.

From new investments and company milestones to new team members, ESG initiatives and awards, read on to learn more about our progress over the last 12 months...
