FOR IMMEDIATE RELEASE

25 February 2026

RECOMMENDED CASH ACQUISITION

of

Augmentum Fintech plc ("Augmentum")
by

Frontier Bidco Limited ("BidCo")

(a newly formed company indirectly and wholly controlled by Verdane Fund Manager AB in its capacity as manager of Verdane Freya XII Investments AB)

to be implemented by means of a scheme of arrangement under Part 26 of the Companies Act 2006

Summary

- The boards of BidCo and Augmentum are pleased to announce that they have reached an agreement on the terms of a recommended cash acquisition pursuant to which BidCo will acquire the entire issued and to be issued ordinary share capital of Augmentum (the "**Acquisition**"). The Acquisition is intended to be implemented by means of a scheme of arrangement under Part 26 of the Companies Act.

Under the terms of the Acquisition, which will be subject to the Conditions and further terms set out in Appendix 1 to this announcement and to the full terms and conditions that will be set out in the Scheme Document, Augmentum Shareholders will be entitled to receive:

for each Scheme Share held: 111.0 pence in cash
(the "Acquisition Price")

- The Acquisition Price represents:
 - a premium of approximately 27.0 per cent. to the Closing Price of 87.4 pence per Augmentum Share on 24 February 2026 (being the last Business Day prior to the date of this announcement); and

- a premium of approximately 29.6 per cent. to the weighted average Closing Price of 85.6 pence per Augmentum Share over the three months to 24 February 2026 (being the last Business Day prior to the date of this announcement).
- The Acquisition values the entire issued ordinary share capital of Augmentum at approximately £185.7 million.
- The Augmentum Directors unanimously intend to recommend the Acquisition.

Information on Verdane and BidCo

- The cash acquisition of Augmentum is being made by BidCo, a newly established company which is indirectly controlled by Verdane, in its capacity as manager of Verdane Freya XII Investments AB.
- Verdane is a specialist growth buyout investment firm that partners with tech-enabled and sustainable businesses that help to digitalise and decarbonise the European economy. The flexible mandates of the funds managed by Verdane allow it to invest as a majority or minority control investor, replacement or growth capital, in single companies or in portfolios of companies.
- Verdane and BidCo believe that Augmentum will be better able to achieve its growth and valuation aspirations with better access to capital under BidCo's ownership. Verdane and BidCo believe that under private ownership there will be greater flexibility to execute and accelerate the investment strategy with a supportive owner which can help unlock the potential of the Portfolio.

Unanimous Recommendation from the Augmentum Directors

- The Augmentum Directors, who have been so advised by Cavendish as to the financial terms of the Acquisition, unanimously consider the terms of the Acquisition to be fair and reasonable. In providing its advice to the Augmentum Directors, Cavendish has taken into account the commercial assessments of the Augmentum Directors. Cavendish is providing independent financial advice to the Augmentum Directors for the purposes of Rule 3 of the Takeover Code.
- Accordingly, the Augmentum Directors intend unanimously to recommend that Augmentum Shareholders vote (or, where applicable, procure votes) in favour of the Proposals.

Irrevocable Undertakings and Letters of Intent

- Each of the Augmentum Directors who hold or control Augmentum Shares has given an irrevocable undertaking to vote, or procure a vote, in favour of the Proposals in respect of a total of, in aggregate, 527,249 Augmentum Shares representing approximately 0.32 per cent. of the Issued Share Capital on the Latest Practicable Date. These irrevocable undertakings remain binding in the event of a higher competing offer for Augmentum.
- In addition, each of the AFML Directors has given an irrevocable undertaking to vote, or procure a vote, in favour of the Proposals in respect of a total of, in aggregate, 2,782,203 Augmentum Shares representing approximately 1.66 per cent. of the Issued Share Capital on the Latest Practicable Date. These irrevocable undertakings also remain binding in the event of a higher competing offer for Augmentum.
- BidCo has therefore received irrevocable undertakings in respect of, in aggregate, a total of 3,309,452 Augmentum Shares representing approximately 1.98 per cent. of the Issued Share Capital on the Latest Practicable Date.

- BidCo has also received non-binding letters of intent to vote in favour of the Proposals from Canaccord and Asset Value in respect of a total of 12,110,000 Augmentum Shares representing approximately 7.24 per cent. of the Issued Share Capital on the Latest Practicable Date.
- Further details of these irrevocable undertakings and letters of intent are set out in Appendix 3 to this announcement.

Structure, conditions and timetable

- It is intended that the Acquisition shall be implemented by means of a scheme of arrangement between Augmentum and Augmentum Shareholders under Part 26 of the Companies Act, although BidCo reserves the right to implement the Acquisition by means of a Takeover Offer (subject to Panel consent and compliance with the Takeover Code, and subject to the terms of the Co-operation Agreement).
- The Acquisition is conditional, inter alia, on the approval of Augmentum Shareholders and receipt by BidCo of approval from the FCA to the change in control of AFML and, where applicable, Retail Book and is also subject to the further conditions and terms set out in Appendix 1 to this announcement (and to the full terms and conditions) (which will be set out in the Scheme Document).
- The Acquisition will be put to Augmentum Shareholders at the Court Meeting and at the General Meeting. In order to become Effective, the Scheme must be approved by a majority in number of the Augmentum Shareholders voting at the Court Meeting, either in person or by proxy, representing at least 75 per cent. in value of the Augmentum Shares voted. In addition, a special resolution implementing the Scheme must be passed by Augmentum Shareholders representing at least 75 per cent. of votes cast at the General Meeting. Following the Court Meeting, the Scheme must also be sanctioned by the Court.
- For the purposes of Rule 29.1(d) of the Takeover Code, a valuation of the Portfolio will be included in the Scheme Document (or, if applicable, the offer document).
- The Scheme Document, containing further information about the Acquisition and notices of the Court Meeting and the General Meeting will be published as soon as reasonably practicable, and, in any event, within 28 days of this announcement (or such later time as BidCo, Augmentum and the Panel agree). The Scheme Document will specify the actions to be taken by Augmentum Shareholders in connection with the Scheme.
- If, on or after the date of this announcement and on or prior to the Effective Date, any dividend, distribution, or other return of value is declared, made, or paid, or becomes payable by Augmentum, BidCo reserves the right to reduce the Acquisition Price by an amount up to the amount of such dividend, distribution, or other return of value in which case any references to the Acquisition Price will be deemed to be a reference to the Acquisition Price as so reduced.
- The Scheme is currently expected to become Effective during the second quarter of 2026, subject to the satisfaction or, where permitted, waiver of the Conditions. An expected timetable of key events relating to the Acquisition will be set out in the Scheme Document.

Commenting on the Acquisition, William Reeve, Chairman of Augmentum, said:

"Since our IPO in 2018, Augmentum has been at the heart of the UK and European fintech sectors, backing high-growth companies such as Tide, Zopa, Iwoca, Cushon and Interactive

Investor. However, we recognise that for our shareholders, this portfolio's potential has not been reflected in Augmentum's market valuation.

Over several years, we have faced a persistent and widening discount to Net Asset Value, compounded by low levels of liquidity. This has made it difficult for shareholders to realise the true value of their holdings or for Augmentum to raise the capital necessary to support our ambitions.

To address this, the Augmentum Board has run a process to consider a range of strategic options. We are now recommending the Verdane offer, the best we received. This offer provides an immediate solution: it offers full liquidity at a 27.0% premium to the prevailing share price as at the Latest Practicable Date. By accepting this offer, shareholders can realise value today that the public markets have been unable to provide, while ensuring our portfolio companies are able to gain access to the deep capital and expertise of Verdane, alongside the existing management, for their next chapter."

Commenting on the Acquisition, Moez Gharbi, Partner at Verdane, said:

"We look forward to working with Augmentum's portfolio businesses to help them continue their growth journey. At Verdane, we're optimistic about the European fintech sector and see potential in continuing to grow companies in this space. We have an extensive, proven history of delivering value from successful portfolio transactions, having completed more than 60 portfolio acquisitions since 2003."

This summary should be read in conjunction with the full text of this announcement. Overseas Shareholders

The release, publication or distribution of this announcement in or into certain jurisdictions other than the United Kingdom may be restricted by the laws and/or regulations of those jurisdictions. Persons into whose possession this announcement comes who are not resident in the United Kingdom or who are subject to the laws and/or regulations of any jurisdiction other than the United Kingdom should inform themselves of, and observe, any such applicable laws and/or regulations in their jurisdiction. In particular, the ability of persons who are not resident in the United Kingdom to vote their Augmentum Shares with respect to the Scheme at the Court Meeting or the Resolution(s) at the General Meeting, or to appoint another person as proxy to vote at the Court Meeting or the General Meeting on their behalf, may be affected by the laws of the relevant jurisdiction in which they are located. Further details in relation to Overseas Shareholders will be contained in the Scheme Document. Any failure to comply with any such restrictions may constitute a violation of the securities laws of any such jurisdiction. To the fullest extent permitted by applicable law, the companies and persons involved in the Acquisition disclaim any responsibility or liability for the violation of such restrictions by any person.

Unless otherwise determined by BidCo or required by the Takeover Code, and permitted by applicable law and regulation, the Acquisition shall not be made available, directly or indirectly, in, into or from a Restricted Jurisdiction where to do so would violate the laws in that jurisdiction and no person may vote in favour of the Scheme by any such use, means, instrumentality or form within a Restricted Jurisdiction or any other jurisdiction if to do so would constitute a violation of the laws of that jurisdiction. Accordingly, copies of this announcement and all documents relating to the Acquisition are not being, and must not be, directly or indirectly, mailed or otherwise forwarded, distributed or sent in, into or from a Restricted Jurisdiction where to do so would violate the laws in that jurisdiction, and persons receiving this announcement and all documents relating to the Acquisition (including custodians, nominees and trustees) must not mail or otherwise distribute or send them in, into or from such jurisdictions where to do so would

violate the laws in that jurisdiction. If the Acquisition is implemented by a Takeover Offer (unless otherwise permitted by applicable law or regulation), the Takeover Offer may not be made, directly or indirectly, in or into or by use of the mails or any other means or instrumentality (including, without limitation, facsimile, email or other electronic transmission, telex or telephone) of interstate or foreign commerce of, or any facility of a national state or other securities exchange, of any Restricted Jurisdiction and the Takeover Offer will not be capable of acceptance by any such use, means, instrumentality or facilities or from or within any Restricted Jurisdiction.

The Acquisition shall be subject to English law and the jurisdiction of the Court, and, among other things, the applicable requirements of the Takeover Code, the Panel, the London Stock Exchange, the Financial Conduct Authority and the Registrar of Companies.

Additional information for investors in the United States

The Acquisition relates to shares of an English company admitted to trading on the Main Market of the London Stock Exchange and is proposed to be implemented by means of a scheme of arrangement under Part 26 of the Companies Act which will be governed by English law. A transaction effected by means of a scheme of arrangement is not subject to the tender offer rules or the proxy solicitation rules under the US Exchange Act.

Accordingly, the Acquisition is subject to the disclosure and procedural requirements applicable in the United Kingdom to schemes of arrangement which differ from the requirements of United States tender offer and proxy solicitation rules.

However, if BidCo were to elect to implement the Acquisition by means of a Takeover Offer and determines to extend such Takeover Offer into the United States, such Takeover Offer shall be made in compliance with all applicable United States laws and regulations, including, without limitation, to the extent applicable, Section 14(e) of the US Exchange Act and Regulation 14E thereunder. Such a Takeover Offer would be made in the United States by BidCo and no one else.

In accordance with normal United Kingdom practice and pursuant to Rule 14(e)-5(b) of the US Exchange Act (if applicable), BidCo or its nominees, or its brokers (acting as agents), may from time to time make certain purchases of, or arrangements to purchase, shares or other securities of Augmentum outside of the US, other than pursuant to the Acquisition, until the date on which the Acquisition and/or Scheme becomes Effective, lapses or is otherwise withdrawn. Were they to be made, these purchases or arrangements to purchase would occur either in the open market at prevailing prices or in private transactions at negotiated prices and would comply with applicable law, including the US Exchange Act. Any information about such purchases or arrangements to purchase shall be disclosed as required in the UK, shall be reported to a Regulatory Information Service and shall be available on the London Stock Exchange website at www.londonstockexchange.com.

The receipt of consideration by a US holder for the transfer of its Augmentum Shares pursuant to the Acquisition may have tax consequences in the US and such consequences, if any, are not described herein. US holders of Augmentum Shares are urged to consult their independent professional adviser immediately regarding the legal, tax and financial consequences of the Acquisition applicable to them.

Neither the US Securities and Exchange Commission nor any securities commission of any state or other jurisdiction of the United States has approved the Acquisition, passed judgment upon the fairness or the merits of the Acquisition, or passed judgment upon the completeness, adequacy or accuracy of this announcement. Any representation to the contrary is a criminal offence in the United States.

Financial information relating to Augmentum included in this announcement and that may be included in the Scheme Document (or, if the Acquisition is implemented by way of a Takeover

Offer, the offer document) or any other documents relating to the Acquisition, has been or shall have been prepared in accordance with accounting standards applicable in the United Kingdom and may not be comparable to financial information of US companies or other companies whose financial statements are prepared in accordance with generally accepted accounting principles in the United States ("**US GAAP**"). US GAAP differs in certain significant respects from accounting standards applicable in the United Kingdom. None of the financial information in this announcement has been audited in accordance with auditing standards generally accepted in the United States or the auditing standards of the Public Company Accounting Oversight Board (United States).

Each of BidCo and Augmentum is organised under the laws of England and Wales. Some or all of the officers and directors of BidCo and Augmentum, respectively, are residents of countries other than the United States. In addition, a number of the assets of BidCo and Augmentum are located outside the United States. As a result, it may be difficult for US holders of Augmentum Shares to effect service of process within the United States upon BidCo or Augmentum or their respective officers or directors or to enforce against them a judgment of a US court predicated upon the federal or state securities laws of the United States, including judgments based upon the civil liability provisions of the US federal securities laws. US shareholders of Augmentum may not be able to sue a non-US company or its officers or directors in a non-US court for violations of US securities laws. Further, it may be difficult to compel a non-US company and its affiliates to subject themselves to a US court's jurisdiction or judgment.

Forward looking statements

This announcement (including information incorporated by reference in this announcement), oral statements made regarding the Acquisition, and other information published by Augmentum, BidCo, any member of the Wider BidCo Group or any member of the Wider Augmentum Group contain statements which are, or may be deemed to be, "forward looking statements" about BidCo, Augmentum, the Wider BidCo Group and/or the Wider Augmentum Group. Such forward looking statements are prospective in nature and are not based on historical facts, but rather on current expectations and on numerous assumptions regarding the business strategies and the environment in which Augmentum, BidCo or any member of the Wider BidCo Group or any member of the Wider Augmentum Group shall operate in the future and are subject to risks and uncertainties that could cause actual results to differ materially from those expressed or implied by those statements.

All statements other than statements of historical facts included in this announcement may be forward-looking statements. In some cases, these forward looking statements can be identified by the use of forward looking terminology, including the terms "believes", "estimates", "will look to", "would look to", "plans", "prepares", "anticipates", "expects", "is expected to", "is subject to", "budget", "scheduled", "forecasts", "synergy", "strategy", "goal", "cost-saving", "projects" "intends", "may", "will", "shall" or "should" or their negatives or other variations or comparable terminology. Forward-looking statements may include, but are not limited to, statements relating to the following: (i) future capital expenditures, expenses, revenues, earnings, synergies, economic performance, indebtedness, financial condition, dividend policy, losses and future prospects; (ii) business and management strategies and the expansion and growth of BidCo's, Augmentum's, any member of the Wider BidCo Group's or any member of the Wider Augmentum Group's operations and potential synergies resulting from the Acquisition; and (iii) the effects of global economic conditions and governmental regulation on BidCo's, Augmentum's, any member of the Wider BidCo Group's or any member of the Wider Augmentum Group's business.

By their nature, forward-looking statements involve risks and uncertainties and are made based on certain key assumptions, because they relate to events and depend on circumstances that shall occur in the future. Many factors could cause actual results to differ materially from those projected or implied in any forward-looking statements, including but not limited to the satisfaction of or failure to satisfy all or any of the conditions to the Acquisition, as well as additional factors, such as changes in the global, political, economic, business, competitive,

market and regulatory forces, future exchange and interest rates, changes in tax rates, future business combinations or disposals, and any epidemic, pandemic or disease outbreak. If any one or more of these risks or uncertainties materialises or if any one or more of the assumptions prove incorrect, actual results may differ materially from those expected, estimated or projected. Other unknown or unpredictable factors could cause actual results to differ materially from those in the forward-looking statements. Such forward looking statements should therefore be construed in the light of such factors.

Neither Augmentum nor BidCo nor any member of the Wider BidCo Group, nor any member of the Wider Augmentum Group nor any of their respective associates or directors, officers, members or advisers, provides any representation, assurance or guarantee that the occurrence of the events expressed or implied in any forward-looking statements in this announcement shall actually occur. Given these risks and uncertainties, potential investors should not place any reliance on forward looking statements.

The forward-looking statements speak only at the date of this announcement. All subsequent oral or written forward-looking statements attributable to BidCo, Augmentum, any member of the Wider BidCo Group or any member of the Wider Augmentum Group, or any of their respective associates, members, directors, officers, employees or advisers or any persons acting on their behalf, are expressly qualified in their entirety by the cautionary statement above.

Augmentum, BidCo, the Wider Augmentum Group and the Wider BidCo Group expressly disclaim any obligation to update or revise such statements (or any other statements) contained in this announcement other than as required by law or by the rules of any competent regulatory authority, whether as a result of new information, future events or otherwise.

No profit forecasts or estimates

No statement in this announcement is intended as a profit forecast, profit estimate or quantified financial benefit statement for any period and no statement in this announcement should be interpreted to mean that earnings or earnings per share for BidCo, the Wider BidCo Group or Augmentum, as appropriate, for the current or future financial years would necessarily match or exceed the historical published earnings or earnings per share for BidCo, the Wider BidCo Group or Augmentum, as appropriate.

Disclosure requirements of the Takeover Code

Under Rule 8.3(a) of the Takeover Code, any person who is interested in 1 per cent. or more of any class of relevant securities of an offeree company or of any securities exchange offeror (being any offeror other than an offeror in respect of which it has been announced that its offer is, or is likely to be, solely in cash) must make an Opening Position Disclosure following the commencement of the offer period and, if later, following the announcement in which any securities exchange offeror is first identified. An Opening Position Disclosure must contain details of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of (i) the offeree company and (ii) any securities exchange offeror(s). An Opening Position Disclosure by a person to whom Rule 8.3(a) applies must be made by no later than 3.30 p.m. (London time) on the 10th business day following the commencement of the offer period and, if appropriate, by no later than 3.30 p.m. (London time) on the 10th business day following the announcement in which any securities exchange offeror is first identified. Relevant persons who deal in the relevant securities of the offeree company or of a securities exchange offeror prior to the deadline for making an Opening Position Disclosure must instead make a Dealing Disclosure.

Under Rule 8.3(b) of the Takeover Code, any person who is, or becomes, interested in 1 per cent. or more of any class of relevant securities of the offeree company or of any securities exchange offeror must make a Dealing Disclosure if the person deals in any relevant securities of the offeree company or of any securities exchange offeror. A Dealing Disclosure must contain details of the dealing concerned and of the person's interests and short positions in, and rights

to subscribe for, any relevant securities of each of (i) the offeree company and (ii) any securities exchange offeror(s), save to the extent that these details have previously been disclosed under Rule 8 of the Takeover Code. A Dealing Disclosure by a person to whom Rule 8.3(b) of the Takeover Code applies must be made by no later than 3.30 p.m. (London time) on the business day following the date of the relevant dealing.

If two or more persons act together pursuant to an agreement or understanding, whether formal or informal, to acquire or control an interest in relevant securities of an offeree company or a securities exchange offeror, they shall be deemed to be a single person for the purpose of Rule 8.3 of the Takeover Code.

Opening Position Disclosures must also be made by the offeree company and by any offeror and Dealing Disclosures must also be made by the offeree company, by any offeror and by any persons acting in concert with any of them (see Rules 8.1, 8.2 and 8.4 of the Takeover Code).

Details of the offeree and offeror companies in respect of whose relevant securities Opening Position Disclosures and Dealing Disclosures must be made can be found in the Disclosure Table on the Panel's website at <http://www.thetakeoverpanel.org.uk/>, including details of the number of relevant securities in issue, when the offer period commenced and when any offeror was first identified. You should contact the Panel's Market Surveillance Unit on +44 (0)20 7638 0129 if you are in any doubt as to whether you are required to make an Opening Position Disclosure or a Dealing Disclosure.

Electronic communications

Please be aware that addresses, electronic addresses and certain information provided by Augmentum Shareholders, persons with information rights and other relevant persons for the receipt of communications from Augmentum may be provided to BidCo during the Offer Period as requested under Section 4 of Appendix 4 of the Takeover Code to comply with Rule 2.11(c) of the Takeover Code.

RECOMMENDED CASH ACQUISITION

of

Augmentum Fintech plc ("Augmentum") by

Frontier Bidco Limited ("BidCo")

(a newly formed company indirectly and wholly controlled by Verdane Fund Manager AB in its capacity as manager of Verdane Freya XII Investments AB)

**to be implemented by means of a scheme of arrangement
under Part 26 of the Companies Act 2006**

1. Introduction

The boards of BidCo and Augmentum are pleased to announce that they have reached an agreement on the terms of a recommended cash acquisition pursuant to which BidCo will acquire the entire issued and to be issued ordinary share capital of Augmentum (the "**Acquisition**"). The Acquisition is intended to be effected by means of a scheme of arrangement under Part 26 of the Companies Act.

2. The Acquisition

Under the terms of the Acquisition, which will be subject to the Conditions and further terms set out in Appendix 1 to this announcement and to the full terms and conditions which will be set out in the Scheme Document, Augmentum Shareholders will be entitled to receive:

for each Scheme Share: 111.0 pence in cash.

The Acquisition Price represents:

- a premium of approximately 27.0 per cent. to the Closing Price of 87.4 pence per Augmentum Share on 24 February 2026 (being the last Business Day prior to the date of this announcement); and
- a premium of approximately 29.6 per cent. to the weighted average Closing Price of 85.6 pence per Augmentum Share over the three months to 24 February 2026 (being the last Business Day prior to the date of this announcement).

The Acquisition values the entire issued ordinary share capital of Augmentum at approximately £185.7 million.

If, on or after the date of this announcement and on or prior to the Effective Date, any dividend, distribution, or other return of value is declared, made, or paid, or becomes payable by Augmentum, BidCo reserves the right to reduce the Acquisition Price by an amount up to the amount of such dividend, distribution, or other return of value in which case any references to the Acquisition Price will be deemed to be a reference to the Acquisition Price as so reduced. In such circumstances, Augmentum Shareholders will be entitled to retain any such dividend, distribution, or other return of value declared, made, or paid.

The Scheme Document containing further information about the Acquisition and the Scheme and notices of the Court Meeting and the General Meeting will be published as soon as reasonably practicable and, in any event, within 28 days of this announcement, unless BidCo and Augmentum otherwise agree, and the Panel consents, to a later date. It is expected that the Court Meeting and the General Meeting will be held as soon as practicable thereafter, giving the required notice periods, and that, subject to the satisfaction or (where relevant) waiver of the Conditions, the Scheme is expected to become Effective during the second quarter of 2026.

BidCo reserves the right to elect (with the consent of the Panel and in compliance with the Takeover Code, and subject to the terms of the Co-operation Agreement) to implement the Acquisition by way of a Takeover Offer for the Augmentum Shares as an alternative to the Scheme.

3. Background to and reasons for the Acquisition

Verdane and BidCo believe that the UK market does not, in general, attribute appropriate value to the assets of listed investment trusts. It is a common feature of the sector that listed investment trusts trade at a substantial discount to NAV. This is true of Augmentum, with the Augmentum Shares trading at a persistent and very significant discount to the last published Augmentum NAV: 45.2 per cent. as at the Latest Practicable Date and 43.9 per cent. on average over the three months to the Latest Practicable Date.

Verdane and BidCo believe this enduring discount of both Augmentum and the listed investment trust sector generally is likely to continue to persist.

In addition, Verdane and BidCo believe that the discount to Augmentum NAV at which Augmentum Shares trade also prevents Augmentum from raising further capital to assist in its growth. The very low liquidity in Augmentum Shares puts further pressure on their price and presents significant difficulties for Augmentum Shareholders who seek to realise their investment.

Consequently, Verdane and BidCo believe that Augmentum will be better able to achieve its growth and valuation aspirations with better access to capital under BidCo's ownership. Verdane and BidCo believe that under private ownership there will be greater flexibility to execute and accelerate Augmentum's investment strategy with a supportive owner which can help unlock the potential of the Portfolio. Verdane is very experienced in creating value in technology growth investments (including in portfolios of investments), has access to material financial and other resources and, accordingly, is well placed to support, finance and positively influence Augmentum and the Portfolio going forward.

Verdane and BidCo consider that the Acquisition provides a compelling and immediate liquidity opportunity for all Augmentum Shareholders to realise their investment in full for cash at a material premium to the current traded price of an Augmentum Share.

4. Unanimous recommendation of the Augmentum Board

The Augmentum Directors, who have been so advised by Cavendish as to the financial terms of the Acquisition, consider the terms of the Acquisition to be fair and reasonable. In providing

its advice to the Augmentum Directors, Cavendish has taken into account the commercial assessments of the Augmentum Directors. Cavendish is providing independent financial advice to the Augmentum Directors for the purposes of Rule 3 of the Takeover Code.

Accordingly, for the reasons set out below, the Augmentum Directors intend to recommend unanimously that Augmentum Shareholders vote (or, where applicable, procure votes) in favour of the Proposals (or, in the event that the Acquisition is implemented by way of a Takeover Offer, to accept or procure acceptance of the Takeover Offer).

5. Background to and reasons for the Augmentum Board's unanimous recommendation

Background

Augmentum Shares were first admitted to trading on the Main Market of the London Stock Exchange on 13 March 2018 (the "**IPO**") to provide investors with exposure to a focused portfolio of fast growing and/or high potential private fintech businesses based predominantly in the UK and wider Europe. The IPO raised £94 million, of which £33 million comprised a seed portfolio of five investments acquired by Augmentum in exchange for a combination of cash and Augmentum Shares. This seed portfolio had been assembled by the investment advisory team, led by Tim Levene and Richard Matthews, within a predecessor partnership vehicle.

Performance since IPO

Since the IPO, Augmentum has made a total of 29 investments (excluding the five acquired at the IPO), including into well-known fintech businesses such as Tide, Iwoca and Zopa, in which it remains invested. Augmentum has also successfully secured eight exits, including Interactive Investor, Cushon and Dext. The Augmentum NAV has risen from 99 pence per share at launch to 159.5 pence per share as at 30 September 2025.

Up to the beginning of the COVID-19 pandemic, the Augmentum Shares typically traded at a modest discount or premium to the most recent published semi-annual NAV. In July 2019, Augmentum was able to raise approximately £26 million of additional equity at a premium of 2.2 per cent. to the prevailing Augmentum NAV.

Whilst the COVID-19 lock-down beginning in March 2020 negatively affected equity capital markets, impacting the price of an Augmentum Share and widening its discount to the prevailing Augmentum NAV, market sentiment had improved by October 2020. At that point, Augmentum was able to raise an additional £28 million at a 3.4 per cent. premium to the then prevailing Augmentum NAV. A further equity raise of £55 million followed in July 2021 at a 3.9 per cent. premium to the then prevailing Augmentum NAV.

The majority of the proceeds from these fundraisings was deployed into further investments, in line with Augmentum's investment policy, with Augmentum also maintaining cash to fund working capital and provide for the flexibility to make new and/or follow on investments.

The Augmentum Directors recognise that the global fintech sector suffered a significant downturn in sentiment between 2021 and 2023, with valuations falling and funding volumes declining significantly. The Augmentum Directors believe that this development had the consequence of limiting exits and distributions from companies held within the Portfolio (the exit from Interactive Investor announced in May 2022 being a notable exception). This constrained the "evergreen" recycling of capital that had been a key reason to adopt an Investment Company structure on IPO.

Current market backdrop

Since the first quarter of 2022, the Augmentum Shares have consistently traded at a substantial discount to the prevailing Augmentum NAV.

The Augmentum Directors attribute this sustained discount to a number of factors that have together: (i) reduced Augmentum Shareholders' appetite to increase their shareholdings in Augmentum; and (ii) significantly constrained Augmentum's ability to attract new investors onto its shareholder register.

The Augmentum Directors believe the challenges experienced by Augmentum have impacted the whole listed Investment Companies sector and include:

- liquidity pressures and client outflows or redemptions generally affecting institutional shareholders of Investment Companies;
- the aggregation of a number of historic Investment Company shareholders, especially through the merger of UK discretionary wealth managers, which has increased minimum market capitalisation thresholds for the provision of investment approval and research coverage;
- cost disclosure rules; and
- the availability of a broad range of alternative investment opportunities at wide discounts to NAV within the Investment Company universe, in turn making it harder for investors to justify owning Augmentum Shares at a price level relative to the Augmentum NAV that would more reasonably reflect the fair value of Augmentum's assets.

In this environment, Augmentum's focus on unquoted, high-growth fintech investments, a segment of the market that the Augmentum Directors believe is characterised both by higher return potential and greater investment risk than many others, has not found sufficiently broad favour amongst institutional and wealth management investors.

The Augmentum Directors believe that Augmentum is not alone in facing these headwinds. However, as a relatively small investment trust amongst the alternative investments sub-sector and one that invests in an asset class with relatively higher risk, the Augmentum Directors consider that Augmentum has been particularly affected.

Recognising that these market dynamics have significantly limited the prospects of Augmentum raising further capital for investment, the Augmentum Board has spent considerable time seeking to address the discount to NAV, including through share buybacks. The Augmentum Board adopted a programme of buybacks in January 2022, building on the limited buybacks undertaken during the COVID-19 pandemic. By March 2025, share purchases had totalled £14 million. In parallel, Augmentum's investment advisory team has also spent considerable time, energy and innovation looking to increase Augmentum's appeal to investors. However, these efforts, although being shortlisted for and winning industry awards for their quality, have been insufficient to address the scale or persistence of the discount to the Augmentum NAV at which Augmentum Shares trade.

The prolonged duration and substantial size of the discount, which the Augmentum Directors believe indicates insufficient demand for Augmentum Shares, has made it clear to the Augmentum Directors that continuing with business as usual is unlikely to reduce the discount or deliver the returns to Augmentum Shareholders that they wish to see within a reasonable timeframe. Put simply, the Augmentum Directors believe that an Investment Company structure such as Augmentum's is unfortunately no longer a competitive owner for the Portfolio, and that other pools of capital may be willing to put a significantly higher valuation on the Portfolio.

In contrast and underlining the existence of other, growing pools of capital, the Augmentum Directors note the relatively buoyant funding market for private fintech companies, exemplified by funding and debt rounds for names such as Revolut, Klarna, Tide and Starling.

Review of strategic alternatives

Against this backdrop, the Augmentum Board has therefore carefully evaluated a range of strategic alternatives, including:

- whether improved investor sentiment towards Investment Companies would lead to the discount narrowing over time, and how that improved sentiment may come about;
- a partial return of capital to Augmentum Shareholders through active secondary sales of selected assets or natural realisations;
- a managed wind-down of Augmentum over a period of two to three years; and
- a potential sale of Augmentum.

The Augmentum Board is aware that, to fulfil its true potential as a fintech investor, Augmentum requires further capital, both to invest in new opportunities, and also to protect its position by adding to existing investments as they raise further equity. The Augmentum Directors believe that, in the long-term, a portfolio of fast-growing businesses is likely to be of higher value to an owner well-resourced to provide such incremental capital. That this capital is not currently available from the public markets has played an important part in the Augmentum Board's review.

Having carefully considered the available options, the Augmentum Board believes that both the partial sale of assets and different forms of wind-down would expose Augmentum to significant market risks over which the Augmentum Directors and the Investment Adviser would have limited control. In particular, the Augmentum Directors believe that placing Augmentum in wind-down mode could bring with it the risk of challenges to retaining Augmentum's current investment management team and, at a smaller size, it may prove difficult and/or costly to attract a suitable alternative. In addition, a progressively smaller size of the residual Portfolio, with diminishing diversification, may cause the Augmentum Shares to trade at an even wider discount to NAV and face an increased proportional burden from its fixed costs. The Augmentum Board has noted that other Investment Companies across alternative asset types, including venture/growth capital investing, in managed wind-down processes or with capital allocation policies aimed at returning capital to shareholders (or on announcing proposals to adopt such policies), have continued to trade at wide discounts to NAV.

In recent years, given Augmentum's consistent discount relative to the prevailing Augmentum NAV, the Augmentum Board has considered the views of a broad range of Augmentum Shareholders who have been clear about the need for action by the Augmentum Board, including the potential provision of liquidity at a premium to the prevailing price of an Augmentum Share, even if such an event were to occur at a value lower than the Augmentum NAV.

During 2025, the Augmentum Board, having appointed Cavendish as its Financial Adviser, commenced a review to explore how best to address this discount, including the identification of potential acquirers for Augmentum and/or the Portfolio and/or a significant proportion of the Portfolio. At this time, Augmentum Shares were trading at a discount of approximately 51 per cent. to the then latest published Augmentum NAV of 164.3 pence (as at 30 September 2024).

Augmentum entered non-disclosure agreements with a number of interested parties and had constructive discussions that covered both a sale of Augmentum and the acquisition of the Portfolio or parts of it.

Within these conversations, discussions with Verdane commenced regarding a possible offer for Augmentum. Verdane has undertaken extensive due diligence on the Portfolio, and after entering negotiations with the Augmentum Board, has twice improved the value of its proposal.

On 2 December 2025, Augmentum announced its results for the six months ended 30 September 2025. The Augmentum NAV as at 30 September 2025 was 159.5 pence. As at 1 December 2025, being the business day prior to the publication of the results, Augmentum Shares were trading at a discount of approximately 49 per cent. to this Augmentum NAV. In the period since the publication of Augmentum's interim results through to 24 February 2026 (being the Latest Practicable Date) Augmentum Shares have traded at an average discount of 43.2 per cent. to the 30 September 2025 Augmentum NAV.

Reasons for the unanimous recommendation

The Augmentum Board considers that the fundamentals of the Portfolio are strong and believes that, looking forward, the Portfolio will continue to grow in value as the investee companies' management teams execute on their strategic plans.

However, in considering the terms of the Acquisition and having regard to the foregoing, the Augmentum Board has also taken into account of:

- (i) the Augmentum Group's inability to fund new investments and/or provide follow on capital to its existing portfolio in scale;
- (ii) the expected timeframe for venture investments to achieve their potential and realise attractive exits;
- (iii) the current market for secondary exits in the fintech sector and the fact that in a wind down / realisation strategy, Augmentum could be seen as a known seller, potentially challenging its ability to create pricing power;
- (iv) the need for appropriate management incentivisation and staff retention;
- (v) the fact that the existing Investment Adviser management incentivisation remains uncrystallised and, with the passage of time and a compounding hurdle rate, all else being equal, may cease to offer sufficient prospect of payouts to the investment management team; and
- (vi) the risks and uncertainties associated with the Portfolio of venture and growth-stage companies.

For the reasons set out, the Augmentum Board does not believe that the current discount to the Augmentum NAV will be meaningfully reduced in the foreseeable future without action being taken. The Augmentum Board has carefully considered the terms of the Acquisition with its advisers and concluded that it delivers liquidity for Augmentum Shareholders at an attractive price relative to the market risks and deliverability of executing a partial sale and return of capital or a managed wind down. It also delivers a definitive solution to the issues and headwinds outlined.

In addition, the Augmentum Directors have also had regard to the ambitions and substantial financial and other resources of Verdane, which provide the potential for significant additional capital to be invested in the Portfolio and the fintech sector as a whole, fundamental reasons for Augmentum's establishment.

In considering the merits of the Acquisition, the Directors have taken into account that the Acquisition Price represents:

- a premium of approximately 27.0 per cent. to the Closing Price of 87.4 pence per Augmentum Share on 24 February 2026 (being the last Business Day prior to the date of this announcement); and

- a premium of approximately 29.6 per cent. to the weighted average Closing Price of 85.6 pence per Augmentum Share over the three months to 24 February 2026 (being the last Business Day prior to the date of this announcement).

The Augmentum Directors welcome the comments made by Verdane and BidCo that they intend to utilise their investment expertise, experience and access to capital to help optimise the value and liquidity potential of the Portfolio. Given their sector knowledge and experience of the Portfolio, the Augmentum Directors also recognise the intentions of Verdane and BidCo to retain the services of the Investment Adviser, in which Tim Levene and Richard Matthews are the principal individuals.

The Augmentum Directors note the statement by Verdane and BidCo that, working with the Investment Adviser, they are considering the optimal support and regulatory structures for the Augmentum Group's ongoing operations following the Effective Date. The Augmentum Directors also note that the outcome of this review could lead to the wind down of AFML's operations. Whilst regrettable, the Augmentum Directors recognise that steps of this nature may be necessary under new ownership as Verdane and BidCo seek to optimise the most efficient corporate structure for Augmentum following the Acquisition. The Augmentum Directors further note that Verdane and BidCo have stated that the ongoing contractual arrangements and other operational matters will progress on a business-as-usual basis following the Effective Date, pending the results of their review. The Augmentum Directors welcome the confirmation from Verdane and BidCo that they intend to fully safeguard the existing statutory employment rights of all of Augmentum Group employees.

6. Irrevocable undertakings and Letters of Intent

Each of the Augmentum Directors who hold or control Augmentum Shares has given an irrevocable undertaking to vote, or procure a vote, in favour of the Proposals in respect of, in aggregate, a total of 527,249 Augmentum Shares representing approximately 0.32 per cent. of the Issued Share Capital on the Latest Practicable Date. These irrevocable undertakings remain binding in the event of a higher competing offer for Augmentum.

In addition, each of the AFML Directors has given an irrevocable undertaking to vote, or procure a vote, in favour of the Proposals in respect of a total of, in aggregate, 2,782,203 Augmentum Shares representing approximately 1.66 per cent. of the Issued Share Capital on the Latest Practicable Date. These irrevocable undertakings also remain binding in the event of a higher competing offer for Augmentum.

BidCo has therefore received irrevocable undertakings in respect of a total of 3,309,452 Augmentum Shares representing, in aggregate, approximately 1.98 per cent. of the Issued Share Capital on the Latest Practicable Date.

BidCo has also received non-binding letters of intent to vote in favour of the Proposals from Canaccord and Asset Value in respect of a total of 12,110,000 Augmentum Shares representing approximately 7.24 per cent. of the Issued Share Capital on the Latest Practicable Date.

Further details of these irrevocable undertakings and the letters of intent are set out in Appendix 3 to this announcement.

8. Information on Augmentum

Listing on the Main Market of the London Stock Exchange in March 2018, Augmentum was the UK's first publicly listed investment company focusing exclusively on the fintech sector. Augmentum's investment approach into the fintech sector is the provision of patient funding and support, unrestricted by conventional fund timelines.

Augmentum invests in early and later stage fast growing fintech businesses that the portfolio manager believes demonstrate a technological ability to disrupt and accelerating innovation within the banking, insurance, asset management and wider financial services sectors. Augmentum has invested in over 29 businesses and has secured eight exits since its IPO, including Dext, Interactive Investor, Cushon and Onfido.

Portfolio management is undertaken by AFML, a wholly owned subsidiary of Augmentum. Following the approval of Augmentum Shareholders in July 2025, AFML appointed the Investment Adviser as the Company's investment adviser. In connection with that appointment, the staff of AFML who were engaged in the provision of investment advice were transitioned from AFML to the Investment Adviser.

As reported in its results for the six-month period ended 30 September 2025, Augmentum's total NAV as at 30 September 2025 was approximately £282.3 million and its NAV after performance fee was £266.9 million, equating to a NAV per Augmentum Share after performance fee (the Augmentum NAV) of 159.5 pence. The Scheme Document will contain an independent valuation in respect of the Portfolio as at 30 September 2025 in accordance with Rule 29 of the Takeover Code.

9. Proposed amendments to the Investment Advisory Agreement

If the Scheme becomes Effective, it is intended that BidCo will implement certain changes to the arrangements currently in place between Augmentum, Frostrow, AFML and the Investment Adviser pursuant to the Investment Advisory Agreement. The key terms of the Investment Advisory Agreement are included in the circular to Augmentum Shareholders, dated 1 July 2025, which can be found at the following location on the Augmentum corporate website: <https://augmentum.vc/investors>.

BidCo has negotiated and entered into a non-binding term sheet with the Investment Adviser (the “**Term Sheet**”). It is intended that the Term Sheet will form the basis of proposed new investment advisory arrangements which will, Verdane and BidCo believe, more effectively align the interests of the Investment Adviser with Verdane and BidCo following the Effective Date (the “**New IAA**”).

Pursuant to the New IAA, it is proposed that AFML will receive an aggregate advisor fee from Augmentum of up to £7.5 million, to be paid in monthly instalments over the three years following the Effective Date (the “**Advisor Fees**”). AFML will also receive a share of the profits from the sale of Portfolio investments, subject to certain performance targets having first been met, of 8 per cent. in relation to existing investments (rising to 12 per cent. once BidCo has received three times its aggregate investment costs) and 5 per cent. in relation to new investments (the “**Profit Share**”). AFML will pay the Advisor Fees and the Profit Share to the Investment Adviser (less relevant costs and expenses). If, following the Review (as defined in paragraph 10 below), it is decided that AFML does not need to be retained in the corporate structure (and provided there are no regulatory challenges or objections to this), the Advisor Fees and the Profit Share will be paid directly by Augmentum to the Investment Adviser.

In the event that either of Tim Levene or Richard Matthews (a “**Key Person**”) cease to be employed or engaged by AFML, the Investment Adviser or their respective associates in the three years immediately following the Effective Date, the Profit Share will be adjusted accordingly depending on whether the employment of such Key Person was terminated for cause.

Further details of the Term Sheet will be published in the Scheme Document. Upon the New IAA being entered into, all existing arrangements between Augmentum and the Investment Adviser will be terminated, including any outstanding performance fee accrual.

Verdane, BidCo and the Investment Adviser confirm that there are no other arrangements between them in relation to the Acquisition other than those summarised in this announcement.

As required by, and solely for the purposes of, Rule 16.2 of the Takeover Code, Cavendish has reviewed the Term Sheet and confirmed that, in its opinion, its terms are fair and reasonable, so far as Augmentum Shareholders are concerned. In providing its advice, Cavendish has taken into account the commercial assessments of the Augmentum Directors. Cavendish is providing independent financial advice to Augmentum for the purposes of Rule 3 of the Takeover Code.

10. Intentions of BidCo and Verdane for Augmentum

Strategy

Verdane and BidCo recognise the quality and depth of the Portfolio and following the Effective Date they intend to utilise their experience and access to capital to optimise the value and liquidity potential of the Portfolio.

Prior to this announcement, and consistent with market practice, Verdane has been granted access to the Investment Adviser and certain information on the Augmentum Group for the purposes of confirmatory due diligence. Verdane and BidCo, intend to conclude a more detailed

investigation of the Augmentum Group's operations and structure in order to more fully assess strategic and investment opportunities for the Portfolio and to streamline and simplify the Augmentum Group's corporate and support functions and regulatory framework (the "**Review**").

Board composition and governance arrangements

Verdane and BidCo intend to delist the Augmentum Shares immediately following the Effective Date. Consequently, Augmentum will not require listed company governance structures following the Effective Date and it is intended that each of the Augmentum Directors will step down from the Augmentum Board upon the Effective Date. Following the Effective Date, it is intended that Moez Gharbi and Emanuel Johnsson will be appointed to the Augmentum Board as representatives of Verdane and BidCo.

Employees and pensions

Augmentum itself does not have any direct employees.

Augmentum's wholly owned and FCA authorised subsidiary, AFML, employs a staff of 6 individuals in operational roles. As part of the Review, Verdane and BidCo intend to work with the Investment Adviser to determine the optimal support and regulatory structures for the ongoing operation. The Review may conclude that neither the services provided by AFML and its employees nor AFML's regulatory status need to be retained, in which case AFML would be wound down.

In addition, it is intended that ongoing contractual arrangements and other operational matters will progress on a business-as-usual basis following the Effective Date, pending the results of the Review.

Augmentum does not operate any pension schemes nor does it have any arrangements in place for any Augmentum Group employee involvement in its share capital.

Verdane and BidCo confirm that they have no intention of making material changes to the conditions of employment of the Augmentum Group employees and intends to fully safeguard the existing statutory employment rights of all of Augmentum Group employees.

Headquarters, fixed assets, research and development

Augmentum's registered office is at 25 Southampton Buildings, London WC2A 1AL.

AFML leases offices at 4 Chiswell Street, London EC1P 4UP, which is the Augmentum Group's principal place of business and from where the management of the Portfolio and certain Augmentum Group administrative functions are undertaken. The lease for these premises is guaranteed by Augmentum. Verdane and BidCo intends to maintain these premises following the Effective Date.

Augmentum's fixed assets are represented by its Portfolio. Augmentum does not have a research and development function.

Investment advisory arrangements

As set out in paragraph 9 above, BidCo has entered into the Term Sheet with the Investment Adviser with the intention of implementing the proposed New IAA once the Scheme becomes Effective.

Following the Effective Date, and in accordance with the terms of the New IAA, Tim Levene and Richard Matthews will remain the principal individuals at the Investment Adviser responsible for providing investment advice on the Portfolio to Verdane, BidCo and Augmentum. Verdane and BidCo attach great importance to the skills and experience of Tim Levene and Richard Matthews

and believe they will be key to maximising the success of the Portfolio following the Effective Date. Tim Levene and Richard Matthews will be supported in their roles by such staff at the Investment Adviser as are deemed necessary from time to time.

Listing and trading facilities

It is intended that dealings in, and registration of transfers of, Augmentum Shares (other than the registration of the transfer of the Scheme Shares to BidCo pursuant to the Scheme) will be suspended shortly before the Effective Date at a time to be set out in the Scheme Document. It is further intended that applications will be made to the London Stock Exchange to cancel trading in the Augmentum Shares on the London Stock Exchange's Main Market, and to the FCA to cancel the listing of the Augmentum Shares on the Official List, in each case with effect from, or shortly following, the Effective Date. Further details about the de-listing and cancellation of trading of the Augmentum Shares can be found in paragraph 14 of this announcement.

Post-offer undertakings

No statements in this paragraph 10 are "post-offer undertakings" for the purposes of Rule 19.5 of the Takeover Code.

11. Financing

The cash consideration payable by BidCo to Augmentum Shareholders pursuant to the Acquisition will be funded from equity contributed to BidCo by the Verdane Funds and Verdane pursuant to the terms of the Equity Commitment Letter.

Houlihan Lokey, in its capacity as financial adviser to BidCo and Verdane, is satisfied that sufficient resources are available to BidCo to satisfy in full the cash consideration payable to Augmentum Shareholders pursuant to the terms of the Acquisition.

12. Offer-related arrangements

Confidentiality and Standstill Agreement

On 17 September 2025, Verdane and Augmentum entered into a confidentiality agreement (the "**Confidentiality Agreement**") pursuant to which Verdane agreed to keep confidential information relating to Augmentum and its assets and, subject to certain exceptions, not to disclose it to third parties (other than to certain permitted parties) unless required by applicable law or regulation, or any governmental or competent regulatory authority (including any relevant securities exchange). Pursuant to the Confidentiality Agreement, Verdane agreed to certain standstill undertakings which ceased to apply upon the release of this announcement. The confidentiality obligations remain in force until the earlier of (i) two years from the date of the Confidentiality Agreement; and (ii) the date the parties enter into a definitive written agreement in connection with a potential transaction between Verdane and Augmentum.

Co-operation Agreement

On 25 February 2026, Augmentum and BidCo entered into a co-operation agreement in relation to the Acquisition (the "**Co-operation Agreement**"), pursuant to which Augmentum and BidCo have, among other things, each agreed to cooperate in relation to obtaining any approvals, consents, clearances, permissions, confirmations, comfort letters and/or waivers (including in order to satisfy the FCA Change in Control Condition) as may be necessary, and the making of all filings as may be necessary, from or under the law, regulations or practices applied by any applicable regulatory authority in connection with the Acquisition.

The Co-operation Agreement will terminate in certain circumstances, including (without limitation) if, prior to the Long-Stop Date: (i) any Condition has been invoked by BidCo (where the invocation of the relevant Condition is permitted by the Panel); (ii) a third party announces a possible or firm intention to make an offer or revised offer for Augmentum which completes, becomes effective or is declared or becomes unconditional; (iii) if the Acquisition is withdrawn, terminated or lapses in accordance with its terms.

13. Structure of and Conditions to the Acquisition

It is intended that the Acquisition will be implemented by means of a scheme of arrangement between Augmentum and Augmentum Shareholders under Part 26 of the Companies Act, although BidCo reserves the right to implement the Acquisition by means of a Takeover Offer (subject to Panel consent and in compliance with the Takeover Code, and subject to the terms of the Co-operation Agreement).

The Scheme of Arrangement is a formal arrangement between Augmentum and its shareholders, which is governed by the Companies Act. The Scheme of Arrangement must be approved both by the Augmentum Shareholders and the Court.

If sanctioned, upon becoming Effective, the Scheme will bind all Augmentum Shareholders (regardless of whether or not they attended, or voted, at the Court Meeting or the General Meeting (and if they attended and voted, in what way they voted)). The purpose of the Scheme is to provide for BidCo to become the holder of the entire issued and to be issued ordinary share capital of Augmentum as at the Effective Date. This is to be achieved by the transfer of the Augmentum Shares to BidCo, in consideration for which the Augmentum Shareholders shall receive the cash consideration on the basis set out in paragraph 2 of this announcement. The consideration payable under the terms of the Acquisition will be despatched to Augmentum Shareholders no later than 14 days after the Effective Date.

The Acquisition will be subject to the Conditions and further terms set out below and in Appendix 1 to this announcement and the full terms and conditions to be set out in the Scheme Document and will only become Effective, if, among other things, the following events occur on or before 11.59 p.m. on the Long-Stop Date:

- the approval of the Scheme by a majority in number of the Augmentum Shareholders who are present and vote, whether in person or by proxy, at the Court Meeting and who represent not less than 75 per cent. in value of the Augmentum Shares voted by those Augmentum Shareholders;
- the Resolution(s) required to implement the Scheme being duly passed by Augmentum Shareholders representing the requisite majority or majorities of votes cast at the General Meeting (or any adjournment thereof);
- the sanction of the Scheme by the Court (with or without modification but subject to any modification being on terms acceptable to Augmentum and BidCo); and
- the delivery of a copy of the Court Order to the Registrar of Companies.

The Scheme will lapse if:

- the Court Meeting and the General Meeting are not held by the 22nd day after the expected date of such meetings to be set out in the Scheme Document in due course (or such later date as may be (i) agreed between BidCo and Augmentum or (ii), in a competitive situation, specified by BidCo with the consent of the Panel);

- the Court Hearing is not held by the 22nd day after the expected date of such hearing to be set out in the Scheme Document (or such later date as may be agreed between BidCo and Augmentum); or
- the Scheme does not become Effective by no later than 11.59 p.m. on the Long-Stop Date,

provided, however, that the deadlines for the timing of the Court Meeting, the General Meeting and the Court Hearing as set out above may be waived by BidCo, and the Long-Stop Date may be extended by agreement between Augmentum and BidCo with the consent of the Panel and (where relevant) the Court.

Once the necessary approvals from Augmentum Shareholders have been obtained and the other Conditions have been satisfied or (where applicable) waived, the Scheme must be sanctioned by the Court (with or without modification but with any such modification being acceptable to Augmentum and BidCo). The Scheme will become Effective upon delivery to the Registrar of Companies of a copy of the Court Order.

Further details of the Scheme, including an indicative timetable for its implementation, will be set out in the Scheme Document which, together with the Forms of Proxy, will be published as soon as reasonably practicable and, in any event, within 28 days of this announcement, unless BidCo and Augmentum otherwise agree, and the Panel consents, to a later date. It is expected that the Court Meeting and the General Meeting will be held as soon as practicable thereafter, giving the required notice periods, and, subject to the satisfaction or (where relevant) waiver of the Conditions, the Scheme is expected to become Effective during the second quarter of 2026. The Scheme Document and Forms of Proxy will be made available to all Augmentum Shareholders at no charge to them.

14. De-listing

Prior to the Scheme becoming Effective, Augmentum will make applications for the cancellation of trading of the Augmentum Shares on the Main Market of the London Stock Exchange and the admission of the Augmentum Shares to the Official List, to take effect on or shortly after the Effective Date. The last day of dealings in Augmentum Shares on the Main Market of the London Stock Exchange is expected to be the Business Day immediately prior to the Effective Date and no transfers shall be registered after 6.00 p.m. on that date.

On the Effective Date, Augmentum will become a wholly-owned subsidiary of BidCo and share certificates in respect of Augmentum Shares shall cease to be valid and entitlements to Augmentum Shares held within the CREST system shall be cancelled.

15. Dividends

If, on or after the date of this announcement and on or prior to the Effective Date, any dividend, distribution, or other return of value is declared, made or paid, or becomes payable by Augmentum, BidCo reserves the right to reduce the Acquisition Price by an amount up to the amount of such dividend, distribution, or other return of value in which case references to the Acquisition Price will be deemed to be a reference to the Acquisition Price as so reduced. In such circumstances, Augmentum Shareholders shall be entitled to retain any such dividend, distribution, or other return of value declared, made, or paid.

16. Disclosure of interests in Augmentum

As at the close of business on the Latest Practicable Date, save as set out in the irrevocable undertakings referred to in paragraph 6 of this announcement, neither BidCo or any of its

directors, nor, so far as BidCo is aware, any person acting in concert (within the meaning of the Takeover Code) with it has: (i) any interest in or right to subscribe for any relevant securities of Augmentum; (ii) any short positions in respect of relevant Augmentum Shares (whether conditional or absolute and whether in the money or otherwise), including any short position under a derivative, any agreement to sell or any delivery obligation or right to require another person to purchase or take delivery; (iii) any Dealing Arrangement, in relation to Augmentum Shares or in relation to any securities convertible or exchangeable into Augmentum Shares; or (iv) borrowed or lent any relevant Augmentum Shares (including, for these purposes, any financial collateral arrangements of the kind referred to in Note 3 on Rule 4.6 of the Takeover Code), save for any borrowed shares which had been either on-lent or sold.

'Interests in securities' for these purposes arise, in summary, when a person has long economic exposure, whether absolute or conditional, to changes in the price of securities (and a person who only has a short position in securities is not treated as interested in those securities). In particular, a person shall be treated as having an 'interest' by virtue of the ownership, voting rights, or control of securities, or by virtue of any agreement to purchase, option in respect of, or derivative referenced to, securities and 'relevant securities of Augmentum' are Augmentum Shares or securities convertible or exchangeable into Augmentum Shares.

17. General

BidCo reserves the right to elect (with the consent of the Panel and in compliance with the Takeover Code, and subject to the terms of the Co-operation Agreement) to implement the Acquisition by way of a Takeover Offer for the Augmentum Shares as an alternative to the Scheme. In such event, the Takeover Offer shall be implemented on the same terms, so far as applicable, as those which would apply to the Scheme, subject to appropriate amendments, including (without limitation) an acceptance condition set at a level permitted by the Panel.

The Acquisition will be made subject to the Conditions and further terms set out in Appendix 1 to this announcement and to be set out in the Scheme Document. For the purposes of Rule 29.1(d) of the Takeover Code, a valuation of the Portfolio will be included in the Scheme Document (or, if applicable, the offer document). The bases and sources of certain financial information contained in this announcement are set out in Appendix 2 to this announcement. A summary of the irrevocable undertakings given in relation to the Acquisition is contained in Appendix 3 to this announcement. Certain terms used in this announcement are defined in Appendix 4 to this announcement.

Houlihan Lokey and Cavendish have each given and not withdrawn their written consent to the publication of this announcement with the inclusion herein of the references to their names in the form and context in which they appear.

18. Documents available on website

Cavendish, which is authorised and regulated in the United Kingdom by the Financial Conduct Authority, is acting exclusively as sole financial adviser and Rule 3 adviser to Augmentum and no one else in connection with the Acquisition and will not be responsible to anyone other than

Augmentum for providing the protections afforded to clients of Cavendish or for providing advice in relation to the Acquisition or any other matters referred to in this announcement. Neither Cavendish nor any of its affiliates owes or accepts any duty, liability, or responsibility whatsoever (whether direct or indirect, whether in contract, in tort, under statute or otherwise) to any person who is not a client of Cavendish in connection with this announcement, any statement contained herein or otherwise.

This announcement is for information purposes only and is not intended to and does not constitute, or form part of, an offer to sell or an invitation to purchase any securities or the solicitation of an offer to buy, otherwise acquire, subscribe for, sell or otherwise dispose of any securities, pursuant to the Acquisition or otherwise, nor shall there be any purchase, sale, issuance or exchange of securities or such solicitation in any jurisdiction in which such offer, invitation, solicitation, purchase, sale, issuance or exchange is unlawful.

The Acquisition shall be made solely by means of the Scheme Document (or, if the Acquisition is implemented by way of a Takeover Offer, any document by which the Takeover Offer is made) which, together with the Forms of Proxy (or forms of acceptance, if applicable), shall contain the full terms and conditions of the Acquisition, including details of how to vote in respect of the resolutions proposed in connection with the Acquisition. Any vote, approval, decision in respect of, or other response to, the Acquisition should be made only on the basis of the information contained in the Scheme Document (or if the Acquisition is to be implemented by way of a Takeover Offer, the offer document).

The statements contained in this announcement are made as at the date of this announcement, unless some other time is specified in relation to them, and the release of this announcement shall not give rise to any implication that there has been no change in the facts set out in this announcement since such date.

This announcement has been prepared for the purpose of complying with English law, the Takeover Code, the UK Listing Rules, the Market Abuse Regulation and the Disclosure Guidance and Transparency Rules, and the information disclosed may not be the same as that which would have been disclosed if this announcement had been prepared in accordance with the laws of any other jurisdictions.

Augmentum and BidCo shall prepare the Scheme Document (or if the Acquisition is to be implemented by way of a Takeover Offer, the offer document) to be distributed to Augmentum Shareholders. Augmentum Shareholders should not make any investment decision in relation to the Acquisition except on the basis of the Scheme Document (or if the Acquisition is to be implemented by way of a Takeover Offer, the offer document). Augmentum and BidCo urge Augmentum Shareholders to read the Scheme Document in full when it becomes available because it shall contain important information relating to the Acquisition.

This announcement does not constitute a prospectus or prospectus equivalent document.

No person should construe the contents of this announcement as legal, financial or tax advice. If you are in any doubt about the contents of this announcement or the action you should take, you are recommended to seek your own independent financial advice immediately from your stockbroker, bank manager, solicitor, accountant or from an independent financial adviser duly authorised under FSMA if you are resident in the United Kingdom, or another appropriately authorised independent financial adviser, if you are in a territory outside the United Kingdom.

Overseas Shareholders

The release, publication or distribution of this announcement in or into certain jurisdictions other than the United Kingdom may be restricted by the laws and/or regulations of those jurisdictions. Persons into whose possession this announcement comes who are not resident in the United Kingdom or who are subject to the laws and/or regulations of any jurisdiction other than the United Kingdom should inform themselves of, and observe, any such applicable laws and/or

regulations in their jurisdiction. In particular, the ability of persons who are not resident in the United Kingdom to vote their Augmentum Shares with respect to the Scheme at the Court Meeting or the Resolution(s) at the General Meeting, or to appoint another person as proxy to vote at the Court Meeting or the General Meeting on their behalf, may be affected by the laws of the relevant jurisdiction in which they are located. Further details in relation to Overseas Shareholders will be contained in the Scheme Document. Any failure to comply with any such restrictions may constitute a violation of the securities laws of any such jurisdiction. To the fullest extent permitted by applicable law, the companies and persons involved in the Acquisition disclaim any responsibility or liability for the violation of such restrictions by any person.

Unless otherwise determined by BidCo or required by the Takeover Code, and permitted by applicable law and regulation, the Acquisition shall not be made available, directly or indirectly, in, into or from a Restricted Jurisdiction where to do so would violate the laws in that jurisdiction and no person may vote in favour of the Scheme by any such use, means, instrumentality or form within a Restricted Jurisdiction or any other jurisdiction if to do so would constitute a violation of the laws of that jurisdiction. Accordingly, copies of this announcement and all documents relating to the Acquisition are not being, and must not be, directly or indirectly, mailed or otherwise forwarded, distributed or sent in, into or from a Restricted Jurisdiction where to do so would violate the laws in that jurisdiction, and persons receiving this announcement and all documents relating to the Acquisition (including custodians, nominees and trustees) must not mail or otherwise distribute or send them in, into or from such jurisdictions where to do so would violate the laws in that jurisdiction. If the Acquisition is implemented by a Takeover Offer (unless otherwise permitted by applicable law or regulation), the Takeover Offer may not be made, directly or indirectly, in or into or by use of the mails or any other means or instrumentality (including, without limitation, facsimile, email or other electronic transmission, telex or telephone) of interstate or foreign commerce of, or any facility of a national state or other securities exchange, of any Restricted Jurisdiction and the Takeover Offer will not be capable of acceptance by any such use, means, instrumentality or facilities or from or within any Restricted Jurisdiction.

The Acquisition shall be subject to English law and the jurisdiction of the Court, and, among other things, the applicable requirements of the Takeover Code, the Panel, the London Stock Exchange, the Financial Conduct Authority, the UK Listing Rules and the Registrar of Companies.

Additional information for investors in the United States

The Acquisition relates to shares of an English company admitted to trading on the Main Market of the London Stock Exchange and is proposed to be implemented by means of a scheme of arrangement under Part 26 of the Companies Act which will be governed by English law. A transaction effected by means of a scheme of arrangement is not subject to the tender offer rules or the proxy solicitation rules under the US Exchange Act.

Accordingly, the Acquisition is subject to the disclosure and procedural requirements applicable in the United Kingdom to schemes of arrangement which differ from the requirements of United States tender offer and proxy solicitation rules.

However, if BidCo were to elect to implement the Acquisition by means of a Takeover Offer and determines to extend such Takeover Offer into the United States, such Takeover Offer shall be made in compliance with all applicable United States laws and regulations, including, without limitation, to the extent applicable, Section 14(e) of the US Exchange Act and Regulation 14E thereunder. Such a Takeover Offer would be made in the United States by BidCo and no one else.

In accordance with normal United Kingdom practice and pursuant to Rule 14(e)-5(b) of the US Exchange Act (if applicable), BidCo or its nominees, or its brokers (acting as agents), may from time to time make certain purchases of, or arrangements to purchase, shares or other securities of Augmentum outside of the US, other than pursuant to the Acquisition, until the date on which

the Acquisition and/or Scheme becomes Effective, lapses or is otherwise withdrawn. Were they to be made, these purchases or arrangements to purchase would occur either in the open market at prevailing prices or in private transactions at negotiated prices and would comply with applicable law, including the US Exchange Act. Any information about such purchases or arrangements to purchase shall be disclosed as required in the UK, shall be reported to a Regulatory Information Service and shall be available on the London Stock Exchange website at www.londonstockexchange.com.

The receipt of consideration by a US holder for the transfer of its Augmentum Shares pursuant to the Acquisition may have tax consequences in the US and such consequences, if any, are not described herein. US holders of Augmentum Shares are urged to consult their independent professional adviser immediately regarding the legal, tax and financial consequences of the Acquisition applicable to them.

Neither the US Securities and Exchange Commission nor any securities commission of any state or other jurisdiction of the United States has approved the Acquisition, passed judgment upon the fairness or the merits of the Acquisition, or passed judgment upon the completeness, adequacy or accuracy of this announcement. Any representation to the contrary is a criminal offence in the United States.

Financial information relating to Augmentum included in this announcement and that may be included in the Scheme Document (or, if the Acquisition is implemented by way of a Takeover Offer, the offer document) or any other documents relating to the Acquisition, has been or shall have been prepared in accordance with accounting standards applicable in the United Kingdom and may not be comparable to financial information of US companies or other companies whose financial statements are prepared in accordance with generally accepted accounting principles in the United States ("**US GAAP**"). US GAAP differs in certain significant respects from accounting standards applicable in the United Kingdom. None of the financial information in this announcement has been audited in accordance with auditing standards generally accepted in the United States or the auditing standards of the Public Company Accounting Oversight Board (United States).

Each of BidCo and Augmentum is organised under the laws of England and Wales. Some or all of the officers and directors of BidCo and Augmentum, respectively, are residents of countries other than the United States. In addition, a number of the assets of BidCo and Augmentum are located outside the United States. As a result, it may be difficult for US holders of Augmentum Shares to effect service of process within the United States upon BidCo or Augmentum or their respective officers or directors or to enforce against them a judgment of a US court predicated upon the federal or state securities laws of the United States, including judgments based upon the civil liability provisions of the US federal securities laws. US shareholders of Augmentum may not be able to sue a non-US company or its officers or directors in a non-US court for violations of US securities laws. Further, it may be difficult to compel a non-US company and its affiliates to subject themselves to a US court's jurisdiction or judgment.

Forward looking statements

This announcement (including information incorporated by reference in this announcement), oral statements made regarding the Acquisition, and other information published by Augmentum, BidCo, any member of the Wider BidCo Group or any member of the Wider Augmentum Group contain statements which are, or may be deemed to be, "forward looking statements" about BidCo, Augmentum, the Wider BidCo Group and/or the Wider Augmentum Group. Such forward looking statements are prospective in nature and are not based on historical facts, but rather on current expectations and on numerous assumptions regarding the business strategies and the environment in which Augmentum, BidCo or any member of the Wider BidCo Group or any member of the Wider Augmentum Group shall operate in the future and are subject to risks and uncertainties that could cause actual results to differ materially from those expressed or implied by those statements.

All statements other than statements of historical facts included in this announcement may be forward-looking statements. In some cases, these forward looking statements can be identified by the use of forward looking terminology, including the terms "believes", "estimates", "will look to", "would look to", "plans", "prepares", "anticipates", "expects", "is expected to", "is subject to", "budget", "scheduled", "forecasts", "synergy", "strategy", "goal", "cost-saving", "projects" "intends", "may", "will", "shall" or "should" or their negatives or other variations or comparable terminology. Forward-looking statements may include, but are not limited to, statements relating to the following: (i) future capital expenditures, expenses, revenues, earnings, synergies, economic performance, indebtedness, financial condition, dividend policy, losses and future prospects; (ii) business and management strategies and the expansion and growth of BidCo's, Augmentum's, any member of the Wider BidCo Group's or any member of the Wider Augmentum Group's operations and potential synergies resulting from the Acquisition; and (iii) the effects of global economic conditions and governmental regulation on BidCo's, Augmentum's, any member of the Wider BidCo Group's or any member of the Wider Augmentum Group's business.

By their nature, forward-looking statements involve risks and uncertainties and are made based on certain key assumptions, because they relate to events and depend on circumstances that shall occur in the future. Many factors could cause actual results to differ materially from those projected or implied in any forward-looking statements, including but not limited to the satisfaction of or failure to satisfy all or any of the conditions to the Acquisition, as well as additional factors, such as changes in the global, political, economic, business, competitive, market and regulatory forces, future exchange and interest rates, changes in tax rates, future business combinations or disposals, and any epidemic, pandemic or disease outbreak. If any one or more of these risks or uncertainties materialises or if any one or more of the assumptions prove incorrect, actual results may differ materially from those expected, estimated or projected. Other unknown or unpredictable factors could cause actual results to differ materially from those in the forward-looking statements. Such forward looking statements should therefore be construed in the light of such factors.

Neither Augmentum nor BidCo nor any member of the Wider BidCo Group, nor any member of the Wider Augmentum Group nor any of their respective associates or directors, officers, members or advisers, provides any representation, assurance or guarantee that the occurrence of the events expressed or implied in any forward-looking statements in this announcement shall actually occur. Given these risks and uncertainties, potential investors should not place any reliance on forward looking statements.

The forward-looking statements speak only at the date of this announcement. All subsequent oral or written forward-looking statements attributable to BidCo, Augmentum, any member of the Wider BidCo Group or any member of the Wider Augmentum Group, or any of their respective associates, members, directors, officers, employees or advisers or any persons acting on their behalf, are expressly qualified in their entirety by the cautionary statement above.

Augmentum, BidCo, the Wider Augmentum Group and the Wider BidCo Group expressly disclaim any obligation to update or revise such statements (or any other statements) contained in this announcement other than as required by law or by the rules of any competent regulatory authority, whether as a result of new information, future events or otherwise.

No profit forecasts or estimates

No statement in this announcement is intended as a profit forecast, profit estimate or quantified financial benefit statement for any period and no statement in this announcement should be interpreted to mean that earnings or earnings per share for BidCo, the Wider BidCo Group or Augmentum, as appropriate, for the current or future financial years would necessarily match or exceed the historical published earnings or earnings per share for BidCo, the Wider BidCo Group or Augmentum, as appropriate.

Disclosure requirements of the Takeover Code

Under Rule 8.3(a) of the Takeover Code, any person who is interested in 1 per cent. or more of any class of relevant securities of an offeree company or of any securities exchange offeror (being any offeror other than an offeror in respect of which it has been announced that its offer is, or is likely to be, solely in cash) must make an Opening Position Disclosure following the commencement of the offer period and, if later, following the announcement in which any securities exchange offeror is first identified. An Opening Position Disclosure must contain details of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of (i) the offeree company and (ii) any securities exchange offeror(s). An Opening Position Disclosure by a person to whom Rule 8.3(a) applies must be made by no later than 3.30 p.m. (London time) on the 10th business day following the commencement of the offer period and, if appropriate, by no later than 3.30 p.m. (London time) on the 10th business day following the announcement in which any securities exchange offeror is first identified. Relevant persons who deal in the relevant securities of the offeree company or of a securities exchange offeror prior to the deadline for making an Opening Position Disclosure must instead make a Dealing Disclosure.

Under Rule 8.3(b) of the Takeover Code, any person who is, or becomes, interested in 1 per cent. or more of any class of relevant securities of the offeree company or of any securities exchange offeror must make a Dealing Disclosure if the person deals in any relevant securities of the offeree company or of any securities exchange offeror. A Dealing Disclosure must contain details of the dealing concerned and of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of (i) the offeree company and (ii) any securities exchange offeror(s), save to the extent that these details have previously been disclosed under Rule 8. A Dealing Disclosure by a person to whom Rule 8.3(b) applies must be made by no later than 3.30 p.m. (London time) on the business day following the date of the relevant dealing.

If two or more persons act together pursuant to an agreement or understanding, whether formal or informal, to acquire or control an interest in relevant securities of an offeree company or a securities exchange offeror, they shall be deemed to be a single person for the purpose of Rule 8.3.

Opening Position Disclosures must also be made by the offeree company and by any offeror and Dealing Disclosures must also be made by the offeree company, by any offeror and by any persons acting in concert with any of them (see Rules 8.1, 8.2 and 8.4).

Details of the offeree and offeror companies in respect of whose relevant securities Opening Position Disclosures and Dealing Disclosures must be made can be found in the Disclosure Table on the Panel's website at <http://www.thetakeoverpanel.org.uk/>, including details of the number of relevant securities in issue, when the offer period commenced and when any offeror was first identified. You should contact the Panel's Market Surveillance Unit on +44 (0)20 7638 0129 if you are in any doubt as to whether you are required to make an Opening Position Disclosure or a Dealing Disclosure.

Please be aware that addresses, electronic addresses and certain information provided by Augmentum Shareholders, persons with information rights and other relevant persons for the receipt of communications from Augmentum may be provided to BidCo during the Offer Period as requested under Section 4 of Appendix 4 of the Takeover Code to comply with Rule 2.11(c) of the Takeover Code.

APPENDIX 1

Conditions to, and further Terms of, the Acquisition and the Scheme

Part A: Conditions to the Scheme and the Acquisition

1. The Acquisition will be conditional upon the Scheme becoming unconditional and Effective, subject to the Takeover Code, by no later than 11.59 p.m. on the Long-Stop Date.
2. The Scheme will be subject to the following conditions:
 - 2.1
 - (a) its approval by a majority in number of the Scheme Shareholders who are present and vote (and who are entitled to vote), whether in person or by proxy, at the Court Meeting and who represent 75 per cent. or more in value of the Scheme Shares voted by those Scheme Shareholders; and
 - (b) such Court Meeting being held on or before the 22nd day after the expected date of the Court Meeting to be set out in the Scheme Document in due course (or such later date as (A) may be agreed by BidCo and Augmentum or (B), in a competitive situation, as may be specified by BidCo with the consent of the Panel (and, in each case, with the approval of the Court, if such approval is required));
 - 2.2
 - (a) the resolution(s) required to implement the Scheme being duly passed by the requisite majority or majorities of votes cast at the General Meeting; and

Part B: Certain further terms of the Acquisition

1. Subject to the requirements of the Panel and the Takeover Code, BidCo reserves the right, in its sole discretion, to waive, in whole or in part, all or any of the Conditions set out in Part A of Appendix 1 above, except Conditions 2.1(a), 2.2(a), 2.3(a) and 2.3(c), which cannot be waived. If any of Conditions 2.1(b), 2.2(b), and 2.3(b) in Part A of Appendix 1 above is not satisfied by the relevant deadline specified in the relevant Condition, BidCo shall make an announcement by 8.00 a.m. on the Business Day following such deadline confirming whether it has invoked the relevant Condition, waived

the relevant deadlines, or agreed with Augmentum (or, in a competitive situation, with the consent of the Panel) to extend the relevant deadline.

2. If BidCo is required by the Panel to make an offer for Augmentum Shares under the provisions of Rule 9 of the Takeover Code, BidCo may make such alterations to any of the above Conditions and terms of the Acquisition as are necessary to comply with the provisions of that Rule.
3. BidCo shall be under no obligation to waive (if capable of waiver), to determine to be or remain satisfied or to treat as fulfilled any of the Conditions in Part A of Appendix 1 above that are capable of waiver by a date earlier than the latest date for the fulfilment or waiver of that Condition notwithstanding that the other Conditions of the Acquisition may at such earlier date have been waived or fulfilled and that there are at such earlier date no circumstances indicating that any of such Conditions may not be capable of satisfaction or fulfilment.
4. Under Rule 13.5(a) of the Takeover Code and subject to paragraph 5 below, BidCo may only invoke a Condition so as to cause the Acquisition not to proceed, to lapse, or to be withdrawn with the consent of the Panel. The Panel shall normally only give its consent if the circumstances which give rise to the right to invoke the Condition are of material significance to BidCo in the context of the Acquisition. This shall be judged by reference to the facts of each case at the time that the relevant circumstances arise.
5. Condition 1 (subject to Rule 12 of the Takeover Code), Conditions 2.1, 2.2 and 2.3 in Part A of Appendix 1 above, and, if applicable, any acceptance condition if the Acquisition is implemented by means of a Takeover Offer, are not subject to Rule 13.5(a) of the Takeover Code.
6. Any Condition that is subject to Rule 13.5(a) of the Takeover Code may be waived by BidCo.
7. The Augmentum Shares acquired under the Acquisition shall be acquired fully paid and free from all liens, equities, charges, encumbrances, options, rights of pre-emption and any other third party rights and interests of any nature and together with all rights now or hereafter attaching or accruing to them, including, without limitation, voting rights and the right to receive and retain in full all dividends and other distributions (if any) declared, made or paid, or any other return of value (whether by reduction of share capital or share premium account or otherwise) made on or after the Effective Date.
8. If, on or after the date of this announcement and prior to or on the Effective Date, any dividend, distribution or other return of value is declared, paid or made, or becomes payable by Augmentum, BidCo reserves the right to (without prejudice to any right of BidCo, with the consent of the Panel, to invoke Condition 3(e)(ii) in Part A of Appendix 1 above) reduce the consideration payable under the Acquisition to reflect the aggregate amount of such dividend, distribution, or other return of value. In such circumstances, Augmentum Shareholders shall be entitled to retain any such dividend, distribution, or other return of value declared, made, or paid.
9. If on or after the date of this announcement, and to the extent that any such dividend, distribution or other return of value has been declared, paid, or made, or becomes payable by Augmentum on or prior to the Effective Date and BidCo exercises its rights under Condition 8 of Part B of Appendix 1 above to reduce the consideration payable under the terms of the Acquisition, any reference in this announcement to the consideration payable under the terms of the Acquisition shall be deemed to be a reference to the consideration as so reduced.
10. If and to the extent that such a dividend, distribution, or other return of value has been declared or announced, but not paid or made, or is not payable by reference to a record

date on or prior to the Effective Date and is or shall be (i) transferred pursuant to the Acquisition on a basis which entitles BidCo to receive the dividend, distribution, or other return of value and to retain it; or (ii) cancelled, the consideration payable under the terms of the Acquisition shall not be subject to change in accordance with this paragraph 10.

11. BidCo shall also be entitled to reduce the consideration payable under the Acquisition in such circumstances as are, and by such amount as is, permitted by the Panel.
12. Any exercise by BidCo of its rights referred to in this paragraph 12 shall be the subject of an announcement and, for the avoidance of doubt, shall not be regarded as constituting any revision or variation of the Acquisition.
13. BidCo reserves the right to elect (with the consent of the Panel and in compliance with the Takeover Code and subject to the terms of the Co-operation Agreement) to implement the Acquisition by way of a Takeover Offer for the Augmentum Shares as an alternative to the Scheme. In such event, the Takeover Offer shall be implemented on the same terms, so far as applicable as those which would apply to the Scheme, subject to appropriate amendments, including (without limitation) an acceptance condition set at a level permitted by the Panel. Further, if sufficient acceptances of such offer are received and/or sufficient Augmentum Shares are otherwise acquired, it is the intention of BidCo to apply the provisions of the Companies Act to acquire compulsorily any outstanding Augmentum Shares to which such offer relates.
14. The availability of the Acquisition to persons not resident in the United Kingdom may be affected by the laws of the relevant jurisdictions. Persons who are not resident in the United Kingdom should inform themselves about and observe any applicable requirements.
15. The Acquisition is not being made, directly or indirectly, in, into or from, or by use of the mails of, or by any means of instrumentality (including, but not limited to, facsimile, email or other electronic transmission, telex or telephone) of interstate or foreign commerce of, or of any facility of a national, state or other securities exchange of, any jurisdiction where to do so would violate the laws of that jurisdiction.
16. The Acquisition and the Scheme are governed by English law and are subject to the jurisdiction of the Court and to the Conditions and further terms set out in this Appendix 1 and to be set out in the Scheme Document. The Acquisition shall be subject to the applicable requirements of the Companies Act, the Court, the Takeover Code, the UK Listing Rules, the Panel, the London Stock Exchange and the Financial Conduct Authority.
17. Each of the Conditions shall be regarded as a separate Condition and shall not be limited by reference to any other Condition.
